Jakość i środowisko – tematy znane nam od początku istnienia firmy, obecnie nabrały nowego znaczenia. Stworzyliśmy system zarządzania zgodny z wymaganiami norm ISO 9001:2015 i ISO 14001:2015, według którego projektujemy nowe wzory, produkujemy nasze wyroby i obsługujemy Klienta. Zawsze dbamy o zadowolenie Klienta z naszych wyrobów i usług.

Quality and environment are these issues that we have valued since the company establishment and they are now acquiring a new meaning. We have created a management system, compliant to the ISO 9001:2015 and the ISO 14001:2015 requirements, in accordance to which we design new models, manufacture our goods and serve customers. The company always cares for customer satisfaction from the goods and services we offer.
